MEMORANDUM FOR RECORD

SUBJECT: Letter of Appreciation to Durrie Vision

As the former Platoon Leader for the soldiers of 1<sup>st</sup> Platoon Alpha Battery 3-321<sup>st</sup> FA, I wish to thank you for your unparalleled support of the select soldiers of 1<sup>st</sup> Platoon. The parcels Durrie Vision sent in support of the soldiers on their 14 month deployment to Khowst Afghanistan were truly amazing.

The moral boost a soldier gets when he receives a parcel cannot be explained any better than the way a kid feels on Christmas morning. The soldiers at Camp Clark had limited access to the comforts of life in the United States and the packages Durrie Vision sent brought them those much desired comforts. From the pillows all the way to the 'Welcome Home' gifts, Durrie Vision's support was beyond incredible.

To witness Durrie Vision's adoption of so many soldiers; many who didn't have any support from the States, was astonishing. As sad as it may be, I do know that if Durrie Vision hadn't sent the packages to those soldiers, many would have gone the whole deployment without one piece of mail. The outpouring of generosity Durrie Vision expressed on SSG Brumley, SGT Fernandez, SPC Gray, PFC Sheats, PFC White, SPC Koskie, SPC Amaya and PFC Alexander was inspiring, it makes one's service to their country that much easier. Thank you again and know you helped those soldiers through 14 of the toughest months in their lives. Thank you.
